

Montezuma Land Conservancy
2022 Agriculture Immersion Program
Participant Application

Name: _____

Phone number: _____

Email: _____

Where do you attend high school? What grade are you in or what house are you in at SWOS?
Who is your Academic Advisor or Community Advisor?

Please describe why you are interested in participating in the program.

Please describe any experience you have working with agriculture, gardening, livestock, or conservation.

Please describe any experience you have working closely with others in a team or crew situation. What do you think are your strengths in terms of working with others? What are your biggest challenges in getting along with others?

References List three adult, non-family members who can describe your character, work ethic, and commitment.
